employmentlaw for employees

Macleod & MacCallum realises that for employees it is difficult to fully understand their employment rights and moreso to determine what routes of action are open to them.

We recognise that there may be instances where employers may seek to take advantage of situations and discriminate against employees.

At Macleod and MacCallum we regularly advise on a range of topics including but not limited to:

- Unfair dismissal
- Redundancy
- Discipline and grievance
- Discrimination
- Settlement agreements
- Constructive dismissal

Rather than focus on the negatives and what you can't do, Macleod and MacCallum is focussed on providing you with pragmatic solutions as to what can be done and the risks associated with each course of action.
